PROFESSIONAL SUMMARY

Motivated computer applications student with a foundation in programming, web development, and database concepts. Interested in building practical software solutions, learning modern technologies, and contributing to a collaborative development team.

PROFESSIONAL EXPERIENCE

React Developer Intern

Ciphernutz IT Services

November 2025 – December 2025

Developed responsive and interactive user interfaces using React.js, HTML5, and CSS3.

Implemented application functionality using JavaScript (ES6+).

Integrated REST APIs to fetch and display dynamic data.

Used React Hooks, including useState and useEffect, to manage component state and data fetching.

Assisted in debugging, testing, and improving application usability.
